A motion to take up Art. 2 after Art. 24 Passed.

Art. 3. To see if the Town will vote authorize the Selectmen and Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

A motion to accept as printed passed.

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$290.00 in support of the Monadnock Family and Mental Health Service, said request based on a 50 cent per Capita as of the 1974 census.

A motion to accept as read passed.

Art. 5. To see if the Town will vote to raise and appropriate the sum of \$475.00 to support the Monadnock Region Association for 1975.

A motion to accept as read passed.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$394.40 as the Towns share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

A motion to accept as read passed.

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$394.40 as the Towns share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

A motion to accept as read passed.

Art. 7. To see if the Town will vote to raise and appropriate the sum of \$375.00 in support of the operating cost of the Cheshire Hospital for the year 1975.

A motion to accept as read passed.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$638.00 in support of the services of the Monadnock Community Visiting Nurse Association, Inc. This request for support is based on a \$1.10 per capita formula.

A motion to accept as printed passed.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$200.00 to support the services of the Monadnock Region Humane Society.

A motion to accept as printed passed.

Art. 10. To see if the Town will vote to accept Two Hundred Dollars (\$200.00) received from the Mrs. William Baird Estate for care of cemetery lot.

Art. 11. To see if the Town will vote to accept Two Hundred Dollars (\$200.00) received from the Harold Clark Estate for care of cemetery lot.

A motion to accept as printed passed.

Art. 12. To see if the Town will vote to amend Section 2 of the Building Regulations adopted by vote at the Town Meeting, March 1955 to read as follows:

Section 2. No building construction shall be started, no alterations on existing buildings, and no building shall be put to any different use than on the day of enactment of this ordinance until a permit therefor has been issued under the terms of this ordinance.

A motion to accept as printed passed.

Art. 13. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 as set-off against budgeted appropriations for the following priority purposes and in the amounts indicated, or take any action hereon.

Appropriation - Highway Maintenance - Eight Thousand Three Hundred Eight Four Dollars.

A motion to accept as read passed.

Art. 14. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

A motion to accept as printed passed.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$662.66 if the State will contribute \$4,417.71 of T.R.A. Funds.

A motion to accept as printed passed.

Art. 16. To see if the Town will vote to raise and appropriate the sum of \$75.00 to install a street light at the end of the Silver Road adjacent to the Tucker property. (By petition)

A motion to lay this article on the table passed.

Art. 17. To see if the Town of Harrisville will vote to adopt the current National Fire Protection Associations Life Safety Code 101. This code deals with life safety from fire and like emergencies. It covers construction, protection, and occupancy features to minimize danger to life from fire, smoke, fumes, or panic before the buildings are vacated. It specifies the number, size and arrangement of exit facilities sufficient to permit prompt escape of occupants from buildings or structures in case of fire or other conditions dangerous to life. However, private homes are excluded.

This code gives the local authority the jurisdiction.

A motion to accept as printed passed.

Art. 18. To see if the Town will vote to authorize the Selectmen to enter into a contract to repair the Town owned bridge (constructed in 1936) at the outlet end of Lake Nubaunsit at a price not to exceed \$8,500.00. The sum of \$8,500.00 to be raised as follows: To withdraw \$3,000.00 from Bridge appropriations of 1973 and 1974. To raise \$1,500.00 by Taxes in 1975. The balance of \$4,000.00 to be raised by the issuance of two equal notes of \$2,000.00 each. The first note coming due in 1976 and the second note coming due in 1977. To further authorize the Selectmen to deter-

mine the date and place of payments of such notes and to determine the rate of interest thereon to the best interest of the Town.

This article was accepted by unanimous vote.

Art. 19. Shall the Town accept the provisions of Sections 1 to 10 inclusive of Chapter 53-B of the Revised Statutes Annotated providing for the establishment of regional refuse disposal district, together with the towns of Dublin, Marlborough, and Nelson, and the construction, maintenance and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen.

A motion to lay this article on the table was made. An amendment was offered to have a special Town Meeting after six months.

Both the amendment and original motion as amended Passed.

Art. 20. To see if the Town will vote to properly close the town dump as required by state regulations and to raise and appropriate the sum of \$5,000 to carry out this work.

A motion to lay this article on the table passed.

Art. 21. To see if the Town will authorize the Selectmen to: Negotiate and enter into a contract with the City of Keene upon such terms as they may deem necessary and advisable for the disposal of waste material at the City of Keene sanitary landfill and to allow the Selectmen to make similar necessary arrangements to have waste material transported from Harrisville to the Keene disposal site; and to use the existing town dump site as the collection area for such waste material; and to raise and appropriate the sum of \$1500.00 to cover the cost of the Keene disposal contract from July 1, 1975 through December 31, 1975, and to raise the appropriate the sum of \$5,750.00 to cover the cost of transporting the waste material to the Keene disposal site for the same period. Thus bringing the total cost for this article to \$7,500.00 for disposal transport for six months.

A motion to lay this article on the table Passed.

Art. 22. To see if the Town will vote to use part of the existing town owned gravel bank on Hancock Road for a refuse processing and disposal site and to raise and appropriate the sum of \$1,600.00 to grade and prepare said site.

A motion to lay this article on the table passed.

Art. 23. To see if the Town will vote to establish a sanitary landfill-recycling operation at the town gravel pit on Hancock Road and to raise and appropriate \$9,500.00 to design, construct and equip such a facility from July 1, 1975 through December 31, 1975.

A motion to lay this article on the table passed.

Art. 24. To see if the Town will vote to establish a composting, shredding and recycling operation at the town gravel pit on Hancock Road and to raise and appropriate \$6,000.00 to design, construct and equip such a facility and to raise and appropriate \$2,500.00 to operate this facility from July 1, 1975 through December 31, 1975.

A motion to lay this article on the table passed.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Warren Thayer explained that due to the increased cost of electricity, either \$700.00 must be added to the budget or some street lights would have to be discontinued. A motion to add \$700.00 to the budget was accepted.

After much discussion \$2,000.00 was added to the Police Department estimate making a total budget of \$40,371.00 which was passed.

Art. 25. To hear reports of agents, committees or officers chosen and pass any vote relating thereto.

The Moderator called attention to the reports of the various agents, committees or officers chosen as printed in the Town Report.

A motion to accept them as printed passed.

John J. Colony III gave a report for the Town Hall Committee.

A motion to accept and that they continue for another year and report at the next Town Meeting passed.

Art. 26. To transact any other business that may legally come before this meeting.

The cost of burying the dead was discussed.

The dog situation was brought to the attention of the people and a vote that an article in regards to same be included in warrant at a special Town Meeting six months from now.

Polls closed at 9:45 p.m.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Harrisville in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the Second day of March, next at seven of the clock in the afternoon to act upon the following subjects:

Polls to Remain open from 1:30 p.m. to 8:00 p.m.

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the Town will vote to authorize the Selectmen and town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$290.00 in support of the Monadnock Family and Mental Health Services, said request based on a .50 cent per capita as of the 1974 census.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$475.00 to support the Monadnock Region Association for the year 1976.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$398.48 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$375.00 in support of the operating costs of the Cheshire Hospital for the year 1976.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$762.00 in support of the services of the Monadnock Community Visiting Nurse Association, Inc. This request for support is based on a \$1.30 per capita formula.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$200.00 to support the services of the Monadnock Region Humane Society.

Article 10. To see if the Town will vote to accept \$200.00 received from the Floyd Keough Estate for care of cemetery lot.

Article 11. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972 for the use as set off against budgeted appropriations for the following priority purposes and in the amounts indicated, or take any action hereon.

Appropriation — Highway Maintenance
Eight Thousand Three Hundred Twenty Five Dollars.

Article 12. To see if the Town will vote to amend Article 18 as voted at Town Meeting, March 4, 1975 related to repair of Town owned bridge at outlet of Lake Nubaunsit. Amended article to now read: To see if the Town will vote to authorize the Selectmen to apply for State Bridge Aid and enter into a contract with the State of New Hampshire to replace the bridge at the outlet of Lake Nubaunsit at a price estimated not to exceed \$10,000.00. The sum of \$10,000.00 to be raised as follows: To withdraw \$4,500.00 from Bridge appropriation of 1973, 1974 and 1975. To raise \$2,000.00 by taxes in 1976. The balance of \$3,500.00 to be raised by the issuance of two notes of \$2,000.00 and \$1,500.00. The first note coming due in 1977 and the second note coming due in 1978. To further authorize the Selectmen to determine the date and place of payments of such notes and to determine the rate of interest thereon.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to defray expenses of the Town's observance of the 1976 Bicentennial program.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$1,045.00 to erect a War Memorial dedicated to the veterans of all branches of the Armed Forces who have served in time of conflict. This permanent memorial to be erected on a suitable site at The Island Cemetery.

Article 15. To see if the Town will vote to adopt the provisions of RSA 72:62 for the property tax exemption on real property equipped with solar energy heating or cooling systems which exemption shall be in an amount equal to 100 percent of the value of the solar heating or cooling systems. (By petition)

Article 16. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to purchase a new fire truck. The sum of \$25,000.00 to be raised as follows: To withdraw \$9,000.00 from the Capital Reserve Fund for Fire Trucks, to raise, \$2,000.00 in taxes in 1976. The balance of \$14,000 to be raised by the issuance of four equal notes of \$3,500.00 each. The first note coming due in 1977 and one thereafter each year with the final note coming due in 1980. To further authorize the Selectmen to determine the date and place of payments of such notes and to determine the rate of interest thereon.

Article 17. To see if the Town will vote to authorize the Selectmen to appoint a Dog Officer for the Township and to see what sum the Town will vote to raise and appropriate to defray salary and expenses of such officer. Duties and responsibility of such officer to comply with the provisions of RSA Chapter 466.

Article 18. To see if the Town will vote to adopt a permanent restraining ordinance on all dogs within the Township. To further authorize the Selectmen to appoint a Dog Officer to enforce this ordinance and to raise such sum that will be necessary to defray salary and expenses. Such restraining order to be in effect from a date agreed upon at Town Meeting until such date as this ordinance is rescinded by vote of the Town.

Article 19. To vote by ballot on the adoption of amendments to the Town of Harrisville Zoning Ordinance as proposed by the Town Planning Board and filed with the Town Clerk February 25, 1976.

Article 20. To hear reports of Agents, Committees of Officers chosen and pass any vote related thereto.

Article 21. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this fifth day of February, in the year of our Lord nineteen hundred and seventy six.

LIBRARIAN'S REPORT — 1975

In reviewing events in the Library for 1975, definite signs of encouragement are apparent and most welcome. Circulation figures rose from 4387 in 1974 to 4722 in 1975; not a particularly large increase, any increase is important and we welcome it. The gains were in both the Adult Non-fiction and the children's areas which show a better trend. Summer patrons in greater numbers joined our ranks which helped on the circulation. The fact that many of them have been in our midst without knowing the Library, made their appearance even more welcome. The new comers into town who come regularly make the picture even brighter and we hope many more will join them.

We are always conscious of the fact of how fortunate we are to be the recipients of the generous gifts of both books and money that continue to come our way. This year eight "Memorial Books" — books given in memory of lost ones — were added to our collection. Two history lovers in town, donated the two volume "History of Sullivan, N.H." where names of ancestors of local residents may be found. The nationally recognized "Images" by Ansel Adams, noted photographer, and the two volume "Audubon Bird Prints" are more than any library could hope to own. The donor doesn't even know our Library but we hope to see him in the near future. Other interested people added 91 fiction and non-fiction books to the list and, with the purchase of 52 Adult, 36 Children, 618 from the Bookmobile, 33 Special Requests from the State Library and 26 from Inter-Library Loan, all patrons' needs were satisfied. We regret that we were unable to provide more Mysteries from the Keene Library, as usual but hope to remedy this in the coming year.

Special activities Stimulate interest and the Woodcarving Exhibit with the one on Cut-And-Pierced Lampshades certainly did this. Both were unusual and most appreciated. The Flower Contest proved a greater success than last year. With the addition of refreshments and Movies to the Awards an enjoyable evening resulted. Another activity of a different nature a condition which had concerned me for some time, was finally undertaken, In working with children in the Library, I could see a great need for a program to teach them how to use a library. This would help both educationally and give a feeling of security to children on entering new, strange school. With the co-operation of Mr. Swift, the program was introduced to his sixth grade in the spring. The present sixth grade have already been presented the program so that they are using it in their school now. As the program was received so well by the children, it is my hope that it will remain a part of the Library Program permanently.

Another new project has been introduced — mostly for a librarian's benefit. Many local libraries decided to form a Co-Op in book buying in order to obtain a larger discount by buying in larger quantities. This is known as the Nubaunusit Co-op. It was decided to make this co-op active by meeting regularly to discuss any problems in our areas . . . These discussions are most helpful and rewarding, and, added to the required Library meetings, we are better informed on Library events in the State, which is an important part of our work.

There is a problem which we would like to share with you. We feel we need your help very much. Many of you must have wondered why Harrisville Public Library was not included in the list of qualified libraries which appeared in a local paper some time ago. We want to explain why. When we became affiliated in 1965 with other libraries in the State, certain requirements were established. We have met all but one, to be qualified. This one has to do with the number of hours a library is open per week. This is decided by the population number. A population up to 500

requires the Library to be open 8 hours weekly, which is our present schedule. The next grouping is for 500 to 1000 population which calls for 12 hours open. As the last census showed that we have reached a population of 551, we have moved into a new category calling for an increase of 4 hours weekly to be added to our schedule at a cost of about \$500. These requirements show no signs of ever changing, as we have tried for two years to make a change, and so sooner or later it must be met. As we have done all we can, we are simply asking for your co-operation in asking for added funds.

I wish to add on my part, that your help and co-operation during the past year is deeply appreciated. I called on you many times for help carrying out my work and I was never let down. My sincere thanks.

Respectfully submitted,
Louise B. Bergeron

REPORT OF HISTORIC HARRISVILLE INC.

In 1975, Historic Harrisville, Inc. completed work on the Harris Mill and it is now rented for manufacturing purposes to Visual Paper, Corp. and to Harrisville Designs, Inc. The completion of the mill brings to an end the major architectural restoration work undertaken by Historic Harrisville in 1972.

The six buildings owned and leased by Historic Harrisville are: The Harris Boardinghouse, the Harris Boilerhouse, the Harris Mill, the Harris Storehouse, the Harris Sorting and Picker House and the Cheshire Mills Boardinghouse. As landlords, our concern for the future is not merely to preserve these six historic buildings but also to insure that they make a positive contribution to the life of the town, both economically and visually.

Historic Harrisville is a public, non-profit foundation and we welcome anyone who is interested to sit in on our meetings. They are usually held on the last Saturday of April, July, October and January in the diningroom of the Cheshire Mills Boardinghouse.

POLICE DEPARTMENT REPORT

During the fiscal year of 1975, your Police Department was once again called upon to answer an increased number of individual citizen complaints and calls. The actual number processed was 425 — up some 122 from the previous year. The majority of these complaints (358) have been cleared. Of the remaining 67, at the time of writing, 61 were still under active investigation and 6 were awaiting legal action. For your information, the detailed listing of all complaints is:

- Assaults (4)
- Assisting Ambulance (6)
- Assisting Motorists (28)
- Assisting Other Departments (24)
- Auto Theft (1)
- Burglaries (39)
- Burglar Alarms Answered (17)
- Disturbances (11)
- Dog Complaints (104)
- Domestic Offenses (5)
- Driving While Intoxicated (4)
- Missing Persons (3)
- Motor Vehicle Accidents (34)
- Motor Vehicle Violations (48)
- Other Complaints (43)
- Other Complaints (43)
- Suspicious Persons or Vehicles (23)
- Trespassing (5)
- Vandalism (26)

In addition to the above services, our officers have continued to make periodic individual property checks, and during the year provided police coverage for eleven special events. We have officially logged over 1,093 man hours and travelled 8,223 miles in providing all services. I would once again like to emphasize the fact that many more additional hours and miles were unselfishly contributed by each officer without financial reimbursement.

I would call your special attention to the extremely large number of dog complaints (104) handled by police officers this year. This is a growing problem which severely cuts into the man hours needed for more important police work. Because of this concern, I have recommended to the Selectmen that these duties be removed from the police department, and a separate Dog Office appointed.

In spite of budget limitations we were successful in continuing our efforts to update department equipment. Through the aid of a Federal Funding program, one Motorola portable radio and charger were added at a total cost to the town of only \$57.00. Other items purchased included four sets of handcuffs, four Sam Brown belts and related accessories, one night stick and five hats. Four winter jackets were also secured with funds donated to the department. In this matter of needed equipment, I would highly recommend that the town begin now to plan for acquisition of a police cruiser in the very near future.

Like all other towns in the area, we are experiencing a substantial increase in burglaries. Because of this I want to urge every citizen to **report immediately** any suspicious persons or vehicles . . . regardless of how insignificant it might seem. You may call the Mutual Aid number (352-1100) or feel free to call me or any officer directly. I can't over-emphasize the need to **DO IT IMMEDIATELY, REGARDLESS OF THE HOUR!**

For assistance and cooperation, I extend my sincere personal thanks to the townspeople, police officers from adjoining towns, the State Police and Mutual Aid Center personnel. Also a special word of appreciation to my officers Alton Chamberlain, Donald Heath, Peter Keough and Douglas Morse.

Respectfully submitted,
John C. Mitchell, Chief

**MARL-HARRIS FIRST AID
AND EMERGENCY SQUAD INC.
1975 Ambulance Service Report**

During the period Jan. 1, 1975 through Dec. 31, 1975, your ambulance traveled one thousand nine hundred and ninety one miles in making one hundred and fourteen trips. Of these trips, fifty two were emergency, thirty four were non emergency, and eightyone patients were moved. There was one backup trip for the Keene service, and eighteen standby's for fires, parades, drills and meetings in Harrisville. One trip was made to Hanover and the others were to our area hospitals and nursing homes.

The ambulance, its equipment and the personnel are still ahead of the Federal and State requirements and we hope to keep it that way. The E.M.T.-A. personnel have completed a ten week retraining course at the hospital this year and an advanced first aid course was completed, adding some new members to the squad. There will be another advanced first aid course this year and more courses for the E.M.T.-A.

We are still in need of personnel during the day time hours. The High School members of the squad are doing an excellent service for the Towns of Marlborough and Harrisville, and we certainly appreciate their work. We are in need of men and women, twenty one years of age and over to take the first aid courses and help with the driving of the ambulance during the week days. At present this falls on one of two very dedicated people.

Marl-Harris is still a part of the Cheshire County Ambulance District and we hope to have some of our members added to the District's official family this year.

We are happy to report that through the efforts of many organizations in both Towns, and the combined efforts of the Townspeople of Marlborough and Harrisville, we have the necessary funds to continue our service and are saving some of these funds to replace our equipment.

We are again very proud to say that we have never asked for or used tax money from either Town.

All the members of the squad wish to thank all our friends in Marlborough and Harrisville that have helped in any way to make our work successful, you have helped us to help you.

Respectfully submitted,
The officers, Directors and squad members
Marl-Harris First Aid And Emergency Squad Inc.

REPORT OF CIVIL DEFENSE DIRECTOR — 1975

Progress of the re-organization of the Harrisville Civil Defense network has been steady but slow. Most of the annexes have now been set up and are off to a very good start. There is though, still a need for help on some annexes at director level. Anyone interested in helping your town's civil defense plan work please contact Mr. Roger T. Packard your Civil Defense director.

Our Civil Defense Emergency plan was put to test this summer when high water threatened to wash out the bridge and road at Russell Reservoir. Engineering, Fire and Police Annexes were called into action and proved all could work very well as a team. 100 sandbags were obtained from Peterborough Civil Defense. It was soon obvious that many more bags would be needed in order to save the bridge. An emergency disaster call was placed to N.H. State Civil Defense, and with the cooperation of Harrisville police Chief John Mitchell, 350 more sandbags were picked up in Concord and returned to the disaster location in less than two hours. The bags have been reclaimed and are now stored at the fire station as town property. There was no cost to the town for the sandbags or state services for this emergency.

Due to a lack of Federal funds, there has not been the choice of surplus property as in the past. Two radios were purchased. One to the police dept. and one to the fire dept. at the cost of \$35.00 each. The cost of converting the units ran higher than expected, but still at a substantial saving to the town when the cost of a new radio is considered. A typewriter, banding machine, bookcase and card files was the extent of other property purchased.

Several public information courses are planned for Harrisville in 1976-77. This will be in the form of films, classes, practical training and reading material.

If you have not received your copy of "IN TIME OF AN EMERGENCY" please call your CD director. It is free and a must for every household.

A personal note of thanks to the State CD directors, my town annex directors and the townspeople who have helped Harrisville Civil Defense re-organize to a working unit. Thank you.

Respectfully submitted
Roger T. Packard
Harrisville, N.H. CD Director

REPORT OF FIRE DEPT.

The Harrisville-Chesham Fire Department answered more calls in 1975 than in any previous year, however the actual property loss was still a gratifying minimum, as the main concern of this department is the saving of life and property.

Building fires 3

Auto fires 1

Chimney fires 1

Brush grass leaves 5

Cover other stations 4

Resuscitator calls 3

Auto accidents 1

Dump fires (town) 3

Out of town fires 4

Misc. 3

New equipment added this year has been 2 mobile radios (used) 200 ft 2 inch hose and an assortment of couplings (quarter turn for faster hookups).

The department has had a very good and demanding training program this year with excellent participation from the members and a very good response from the townspeople involved. I would like to personally thank everyone who helped make these training sessions possible and especially to the many long hours of preparation by our training co-ordinator.

I believe the Department and the Town of Harrisville can be very proud of the Fire Department, and without the many hours of the dedicated men this would not be possible.

Thanks also for the co-operation afforded me from the firewards and the selectmen.

Respectfully submitted

Alton Chamberlain

Fire Chief

REPORT OF ROAD AGENT

Winter brought more than the usual amount of ice storms therefore more salt and sand was used. An early spring got the crew with a good start on graveling and grading of all the roads.

In July through September of this year T.R.A. ($\frac{1}{2}$ mi.) was done on the Old Harrisville Road. Which was rebuilt consisting of laying of 8 culverts, 1,400 feet of underdrain, 4,720 yds. of gravel 9,420 gals. of asphalt.

In June 1,400 yds. of gravel was crushed. During the year 6,594 yds. of gravel, 678 yds of sand, on the roads 308 yds. to the town dump.

In October wash outs on Skatutakee, Venable, Cherry Hill, No. 4 Hill and McVeagh roads, which had to be repaired. Replacements of a thirty inch culvert on the Brown Road.

The Highway Department would like to thank the Fire Department and the Civil Defense for all the help received during the flood at Russells Reservoir.

Respectfully submitted,

Wesley Tarr Sr.

Road Agent

HARRISVILLE CONSERVATION COMMISSION

The commission is much interested in the town property map, completion of which by 1980 is required by law. We have cooperated with Mr. House whose preliminary map we have all examined. The commission made up and printed, at no expense to the town, a map questionnaire with which Harrisville property owners are all now familiar since, thanks to Mr. Ralph Bemis, copies were sent out with 1975 tax bills. About two hundred were returned with much valuable and helpful information. The commission wishes to thank our fellow citizens. Some of our meetings have been largely taken up with writing "Thank you" post cards.

Mrs. Russell has worked hard in the direction of substituting a recycling center for the present dump at which it still appears that burning will eventually be outlawed. Much now depends on whether a concern with headquarters in Wilton can line up enough interested towns. The commission heartily recommends this arrangement. Collections would be made from the present dump site.

The commission is now working on a water resources map of Harrisville which should prove of interest and value to the town. This is the first part of our complete resource inventory. Miss Kittredge of the Society for the Protection of New Hampshire Forests is assisting in this work. Development of the Monadnock — Sunapee trail is also being given some attention.

Two members attended the annual meeting of Associated Conservation Commissions of New Hampshire at Andover, and we also had representation at other pertinent meetings in this area.

Clearing and cleanup work at the Seaver Pond Recreation Area has continued. A large number of people used this picnic spot during the past year. Regular pickup of rubbish barrels at this and other points has been instituted.

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Harrisville for the fiscal year ended December 31, 1974.

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Harrisville at December 31, 1974, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
Frederick E. Laplante
Director

DIVISION OF MUNICIPAL ACCOUNTING
DEPARTMENT OF REVENUE ADMINISTRATION

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Harrisville, New Hampshire 03450

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Harrisville for the fiscal year ended December 31, 1974, which was made by this Division in accordance with the vote of the Town. Exhibits are hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the Town's permanent records.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Town Library and Trustees of Trust Funds

Financial Statements

General Fund:

Comparative Balance Sheets — December 31, 1973 and December 31, 1974:
(Exhibit A-1)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of December 31, 1973 and December 31, 1974, are presented in Exhibit A-1. As indicated therein, in the current surplus increased by \$162, from \$3,509 to \$3,671, during the fiscal year 1974.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in the current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. This was as follows:

Increase in Current Surplus:
Decrease in Accounts Payable \$215

Decrease in Current Surplus:

Net Budget Deficit 53

Net Increase in Current Surplus \$162

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1974 are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$4,751 less a net overdraft of appropriations of \$4,805, resulted in a net budget deficit of \$53.

Long Term Indebtedness:

Comparative Balance Sheets — December 31, 1973 and December 31, 1974: (Exhibit A-5)

The outstanding long term indebtedness of the Town as of December 31, 1973 and December 31, 1974 is shown in Exhibit A-5. As indicated therein, the long term debt decreased by \$5,900, during 1974 from \$14,300 to \$8,400.

Statement of Annual Debt Service Requirements: (Exhibit A-6)

A statement showing annual debt service requirements, including principal and interest, is contained in Exhibit A-6.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended December 31, 1974, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1.

Revenue Sharing Funds:

Statement of Revenue, Expenditures and Fund Balance: (Exhibit B-2) A statement which discloses the fiscal activity in the Revenue Sharing Fund account during 1974 is presented in Exhibit B-2. As stated therein, available funds (unappropriated) at January 1, 1974 amounted to \$4,102. Entitlement payments of \$7,964, were received and interest of \$245, was realized by the Town during the year. Authorized expenditures of \$7,823, were made in accordance with the vote of the Town. There remained available funds of \$4,488, at December 31, 1974.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71-a, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Harrisville for their assistance during the course of the audit.

Very truly yours,
Frederick E. Laplante
Director

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 2nd day of March 1976 at 1:30 o'clock in the afternoon to bring in your votes for the election of school district officers. The polls will be open not later than 1:30 p.m., nor close earlier than the time of closing the polls for the election of town officials.

Article 1. To choose all necessary school district officers in said district:

A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A member of the school board for the ensuing two years.

A treasurer from July 1, 1976 for the ensuing year.

An auditor for the ensuing year.

You are hereby further notified to meet at the Wells Memorial School in said District on March 2, 1976 at 6:00 p.m. to act upon the following subjects:

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency.

Article 4. To see if the District will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be deposited in the Capital Reserve Fund established "for the purpose of construction, alteration, reconstruction, equipping, or acquisition of land and-or buildings for school purposes".

Article 5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

Article 6. To see what sum of money the District will vote to raise and appropriate for the installation of a burglar alarm system at the Wells Memorial School.

Article 7. To choose agents, and committees in relation to any subject embraced in this warrant.

Article 8. To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville this day of February, 1976.

HARRISVILLE SCHOOL DISTRICT MEETING TUESDAY, MARCH 4, 1975

The Harrisville School District Meeting was opened at the Wells School at 1:30 p.m.

Moderator William P. House called the meeting to order, read the school warrant, and declared the polls open for voting. At 6 p.m. Moderator House reconvened the meeting.

Article 1: Voting for School District officers by Australian ballot.

Article 2: To see whether the District feels that alcoholic beverages should be allowed in the Wells Memorial School and on school grounds for private or public social functions. (Written Ballot)

Article 3: Reports of Agents, Auditors, Committees, Officers-voted for acceptance unanimously.

Article 4: To see if the District will vote to authorize the school board to make application for, and to accept and use, in the name of the district such advances, grants in aid, or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government, the state of N.H., or any department or agency thereof, or any Federal, State or private agency. Voted Unanimously.

Article 5: To see if the district will vote to raise and appropriate the sum of one thousand Dollars (\$1,000.00) to be deposited in the Capital Reserve Fund established "for the purpose of construction, alteration, reconstruction, equipping, or acquisition, of land and or buildings for school purposes." Voted Unanimously.

Article 6: That the District raise and appropriate the sum of 163,749 dollars for the support of schools, for the salaries of school districts officers and agents, and for the payment of statutory obligations of the District. Voted Unanimously.

Article 7: To choose agents, and committees in relation to any subject embraced in this warrant. Article 7 was unanimously decided to be tabled til the next monthly meeting, when there would be time to announce in the newspaper that a truant officer would be chosen at this meeting.

Article 8: To move that the District recognize with gratitude and appreciation the devoted service of George E. Cass, Business Manager, Supervisory Union No. 29, deceased January 27, 1975. Voted unanimously by standing ovation.

The meeting recessed until the closing of the polls at 9:45 p.m. when ballots were counted.

Results of Voting:

Article 1 Officers-Total ballots counted: 200

William P. House, Moderator	187 votes

7,478 meals served to children

848 meals served to adults

14,250 ½ pints milk served to children

Respectfully submitted,
Charlotte Chamberlain

ADMINISTRATIVE REPORT

Under the leadership of the school board and Mr. Kenneth Swift, many educational achievements were accomplished. A plan to individualize instruction was initiated including the introduction of a Systems 80 reading program, materials and kits provided by Keene State College.

The teachers in Wells Memorial School have established learning stations which is an approach to help each youngster learn at his own rate according to materials at his own level of difficulty.

The library was moved to provide better facilities, space and work area for the nurse and other school personnel. One of the major events was the visit of the President and the children's participation.

The community has become more involved with the school and the administration wishes to publicly thank the citizens for their involvement and participation.

Supervisory Union 29 employed a new member of the administrative team, Mr. Ralph E. Caye, Jr., our new business manager. Mr. Caye replaced the late Mr. Cass who was deeply loved and respected. Mr. Caye brings to the supervisory union a background of experience and he looks forward to working closely with the communities of our union.

Mr. Larracey, our Assistant Superintendent for Administrative and Special Services, with the Staff Development Committee have finalized a staff development plan. We are currently utilizing computerized personnel data forms. Many opportunities for in-service training directly related to staff development are available and have been taken by members of the staff.

The school districts of Supervisory Union 29 in conjunction with the Monadnock Children's Special Services Center have developed procedures to comply with the regulations of P.L. 93-380 (State Plan for the Education of Handicapped Children under Part B of the Education of the Handicapped Act) which became effective July 1, 1975. Each school in Supervisory Union 29 has established evaluation-placement teams to deal with requests from parents for placement or changes in placement of their handicapped child. The procedures ensure that the school districts will comply with 1) due process guarantees, 2) placement of handicapped children in the least restrictive alternative and 3) non-discriminatory testing and placement procedures.

Title IX of the educational amendments of 1972 prevent discrimination on the basis of sex in the operation of most federally supported educational programs. This regulation became effective September 1, 1975. The impact of this regulation prevents discrimination on the basis of sex in the operation of any interscholastic sport or program offered by any educational institution. This law will have a definite impact on our school budget.

CHESHIRE VOCATIONAL CENTER

The course of study has been completed and counselors are encouraged by the enthusiasm of the students. They are currently meeting with students on an individual basis concerning course selections. Upon invitation, the Vocational Director and the counselors would welcome an opportunity to make presentations concerning any aspect of the new Cheshire Vocational Center to citizens in the communities of the participants.

The administration would like to express its deep appreciation to the many committees involved in the planning of our new vocational facility; to the staff at

Keene High School, and other local educational institutions, to the construction workers and to the public at large for their tremendous support of this project.

"Individualized instruction" and "simulation" are the key words for the expanded opportunities in the Business and Office Education Department. One of the most innovative programs to be offered will be Radio-TV Broadcasting, a first in any high school in New England. Students in this program will have an opportunity to learn and work in a complete simulated radio and television station — WKHS. As part of the data processing portion there will be opportunity for key punching, programming, and other data processing skills in connection with the computer program. The office occupations cluster (secretarial, clerical, and accounting) will offer exploratory simulations in legal, medical and educational secretarial skills, another first for our area. There will also be a word processing unit and a new offering in reprographics where students in the clerical program will learn many means of duplicating materials and will have opportunity to assess for themselves which process they will use for a given job, including a cost analysis to justify their choice. Accounting skills will be enhanced by the use of individual simulations and up-to-date office equipment such as electronic calculators and bookkeeping machines. Distributive Education classes will be expanding their program by operating a full size, college type book store and a mini mall which will house three individual shops.

The Technology Department of the Cheshire Vocational Center includes thirteen course offerings such as masonry, sheet metal, and diesel and hydraulic mechanics. The expansion of the Technology Department is best illustrated by the growth of the Building Trades program. Four years ago one teacher worked in a converted storage closet of 746 square feet. In the Cheshire Vocational Center teachers will have an area of 10,000 square feet serving the students of Cheshire County in the Building Trades program. Vocational Technology education provides training which develops skill, ability, understanding, appreciation, attitudes, working habits, and imparts knowledge and information needed by workers to enter and progress in employment on a useful and productive basis. Grades nine and ten offer exposure through the regular high school Industrial Arts program. Vocational Technology courses offer "performance," using basic skills required for job entry. A student may choose to participate in the co-op program — on the job training for those who do not seek to increase knowledge and skills via post-secondary (2 or 4-year programs) education. Offerings in the Technology Department will be approximately 600 instructional hours over a two-year period. The additional 20,000 square feet enables us to offer these additional instructional hours.

The Home Economics Department is planning three new courses and will be expanding the Food Service Program, including the addition of a small dining room for catering experience on special occasions. New programs are Health Occupations, Child Care Services and Careers in Textiles. The health occupations area includes a three-bed hospital ward, a mini testing lab, a small kitchen, classroom and storage areas. Students will receive a general background in basic patient care and in community health problems. Clinical and community experience will be a part of the learning program. The health occupations program will train students to meet job entry qualifications for such positions as orderly, nurse's aide and lab aide. The child care program, provided for those interested in working with children, combines study with observation and hands-on experience in the Day Care Nursery which adjoins the classroom. Working with children in the nursery will help students understand behavioral patterns of children, food and eating habits, learning through play and guidance and discipline. Careers in

textiles covers the basics of working with textiles as used for clothing or in home decorating. Students will be exposed to dressmaking, garment alterations, tailoring, slipcovers, draperies, upholstery, chair seating and commercial sewing.

In addition to preparing students for direct entry into many jobs, vocational courses are also the basis for further post-secondary education if a student so desires.

Dr. Carmelo V. Sapone

REPORT OF THE PRINCIPAL WELLS MEMORIAL SCHOOL

The Wells Memorial School opened in September with an enrollment of 46 students and the regular teaching staff from last year. New personnel this year are Mrs. Joan Havill, Music; Mrs. Elizabeth Lourie, Art; and Mrs. Ruth Meyers as the school nurse. Emphasis for this school year is on individual instruction and reading. Student teachers from Keene State College are being used to the maximum. There continues to be a strong working relationship between Wells Memorial School, the Harrisville School Board and Supervisory Union No. 29.

The Pre-First program continues this year with the largest enrollment in three years. This program contributes a great deal in preparing children for first grade.

All full-time teachers at Wells Memorial School continue to take advantage of workshops provided by Supervisory Union No. 29, Monadnock Children's Special Services Center, and all have taken courses this year dealing with the teaching of children with learning disabilities and physical handicaps.

Special thanks must be given to the following for helping to make Wells Memorial School successful as a learning experience for all: Mrs. Bergeron, teacher of Library Science to 6th grade students; Mrs. Mitchell, secretary; Mrs. Morse, librarian; Mrs. Charlotte Chamberlain, outstanding lunch program director; and George Kendall, Custodian.

University of M. H. Library
